

Disinfectant Wipes

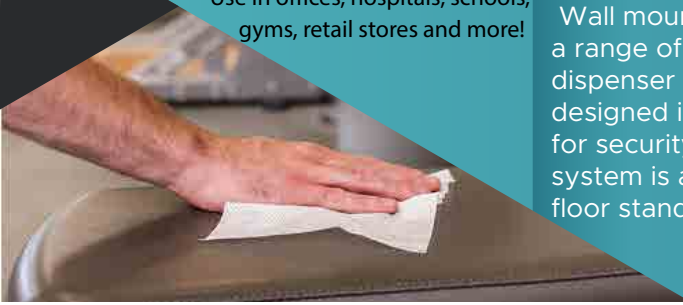

002-36-WH305

Antibacterial wipes containing 75% alcohol for fast and easy disinfection of everyday surfaces like desks, shopping carts, gym equipment, door handles, etc.

Canister refills fit in to the wall and floor stand dispenser.

100 wipes per pack

Use in offices, hospitals, schools, gyms, retail stores and more!

Wall Dispenser

002-36-SBF-166SW

Wall mountable dispenser for use with a range of large wet or dry wipes. The dispenser is easy to install and is designed in areas of high use. Lockable for security and easy to replenish, the system is an economical alternative to floor stand dispensers.

Dispenser Stand

002-36-FSD

The sleek and stylish floor stand wipe dispenser makes it easy to access sanitizing wipes anywhere in the room.

A built-in trash can with easy access back door creates a one stop cleaning station with no mess.

Antibacterial Surface Sanitizing Wipes

Easily disinfect frequently touched surfaces with convenient wet wipes available in wall mounted or floor stand dispensers. Hand sanitizer alone does not protect against bacteria or germs left on surfaces in public areas, use the wet wipes to clean desks, card readers, gym equipment and personal items.

75% Alcohol wipes kill 99.9% of bacteria, viruses and germs.

Non-woven fabric is durable and tear resistant.

Disposable, single use wipes help prevent the spread of infection.
